

DUAL RELATIONSHIP EXCEPTION TO MAAPP ANNUAL CONSENT FORM

The USA Wrestling Program Handbook adopts policies in conformance with policies of the U.S. Center for SafeSport, including the SafeSport Code for the U.S. Olympic and Paralympic Movement (“SafeSport Code”) and the Minor Athlete Abuse Prevention Policies (“MAAPP”). The USA Wrestling Program, SafeSport Code and MAAPP require parental consent for certain activities between Adult Participants and Minor Athletes participating in USA Wrestling programs. This form provides consent for an exception to the MAAPP policies on electronic communications for the Adult Participant and Minor Athlete that have a Dual Relationship, which is a relationship that exists outside of a sport relationship. Examples of dual relationships include but are not limited to family members, family friends, and teachers, mentors, trainers, mandated reporters, coaches, and Youth Organization Representatives.

The undersigned is the parent/guardian (legal custodian) of the Minor Athlete identified below, who is a member of YouthOne and under the age of 19.

Please note that depending on the policy, consent can be required (i) in every instance, (ii) on an annual basis, or (iii) the parent/guardian (legal custodian) can determine if the consent is provided every instance or annually. The following Annual Consent forms are listed below. If an option is not provided for annual consent, then consent needs to be provided in every instance. Additionally, consent can be withdrawn by a parent/guardian (legal custodian) at any time. Review each separate consent and only complete the areas of the form necessary by initialing that area and signing the form at the bottom. Not all areas of the form are required to be completed.

1. Dual Relationship Consent
2. Dual Relationship - One-On-One Interactions
3. Dual Relationship - Transportation
4. Dual Relationship - Lodging – In a Shared Room
5. Dual Relationship - Locker Rooms/Restrooms
6. Dual Relationship - Electronic Communications
